

SAFETY BULLETIN

TO: All Employees
FROM: Dean Argenta - Field Safety Coordinator
DATE: July 22, 2016
REFERENCE: Heat & Humidity

Team, I wanted to provide this Safety Bulletin as a basic guide to beat the heat.

1 HEAT

Stay hydrated and take frequent breaks to cool down

- > Drink water every 15 minutes, even if you are not thirsty.
- > Rest in the shade to cool down
- > Keep an eye on fellow workers.

SAFETY BULLETIN

2 Remember these three simple words:

1. WATER
2. REST
3. SHADE

*** If you feel someone is having difficulty breathing or dizziness don't hesitate to call (911).**
